

O, we see the crescent promise
Of the spirit has not set;
Ancient founts of inspiration
Well through all our fancy yet;
And we doubt not through the ages
One increasing purpose runs,
And the thoughts of all are widened
With the process of the suns.

Yea, we dip into the future,
Far as human eye can see,
See the vision of the world, and
All the wonder that shall be,
Hear the war drum throb no longer,
See the battle flags all furled;
In the parliament of peoples,
Bringing hope to all the world.

BOND OF UNION

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense.

As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
