

Garden Song

Chorus

Inch by inch Row by row Gon-na make this
 gar-den grow All it takes is a rake and a hoe and a
 piece of fer-tile ground Inch by inch
 Row by row Some-one bless these seeds I sow
 Some-one warm them from be-low till the
 rain comes tum-blin' down

Pullin' weeds and pickin' stones
 We are made of dreams and bones
 Feel the need to grow my own
 Cause the time is close at hand.
 Grain for grain, sun and rain
 Find my way in nature's chain
 Tune my body and my brain
 To the music from the land.
 (Chorus)

Plant your rows straight and long
 Temper them with prayer and song
 Mother earth will make you strong
 If you give her love and care.
 An old crow watching hungrily
 From his perch in yonder tree
 In my garden I'm as free
 As that feathered thief up there.
 (Chorus)

In memory of

BOND OF UNION

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, & deepen our emotional sensitivities. We would sharpen our ethical awareness & broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense.

As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.

"Prairie Smoke," pictured on the front of the folder, was designed by Lois and has become an official emblem of Prairie Society.
