### Pull Party in Lake Mills

Kay Frazier and Jose and Ben Rodriguez are hosting a pull/potluck party at their Lake Mills home on Saturday, June 17, beginning at 2 p.m. The idea is to help them pull up their old wall-to-wall carpeting and padding. They will donate \$5 to Prairie (up to \$100) for every person who shows up to help. Afterward there will be a picnic with music, indoor/outdoor games, music, and big screen videos. (They have lots of lawn, a screened porch, plus there are three parks and a lake within walking/viewing distance.)

Pull is from 2 to 4 PM. If you can't come then, come for the picnic, which begins at 4 p.m. (Come with or without a potluck dish. They will order pizza or Jose can make delicious *comida*.)

Directions: Take I-94 East (toward Milwaukee) about 20 miles, to the Lake Mills exit. Take a right off exit; turn right at first intersection onto Highway V; turn right at T-intersection onto Highway B; and turn right at next major intersection, Rock Lake Road. It's the second driveway on the right ( N6974 Rock Lake Road, a red/brown house on a hill).

### Successful Move

Bob Reuschlein wishes to thank everyone who made his Memorial Day move a big success. Fifteen people showed up to help, seven of them from Prairie. They completed the job in about three hours, with plenty of time left over to enjoy pizza. His new condo is at 4921 Ascot Lane,

### Housesitters Available

Judy Moss of Swarthmore, PA, again has a dance residency at the UW this summer and is looking for housing from June 23 through August 1. She has a small son who will be with her all the time. Her husband and older daughter will be with her approximately one week of that time. She basically needs only a kitchen, living area and bedroom and is willing to pay. Judy housesat for Fran Zell last summer and comes highly recommended both by Fran and Pat Cautley who originally linked her with Fran. Contact Judy or her husband Michael at 610-544-8679 or 332 Park Avenue, Swarthmore, PA 19081 if you can help.

### Blood Donors

The need for blood doesn't take a vacation in the summer. Pick up a card at the greeter's table on Sunday to remind you of hours at the Sheboygan Avenue donor center. Other sites and times are listed on our bulletin board. And a salute to Kay Frazier, who donated recently at the Lake Mills blood drive.

### Northwoods UUs

If you're traveling north this summer you might want to check out the Northwoods UU Fellowship in Minocqua. Their building is at 8625 Peggy's Lane. Services are held every other week in the summer and begin promptly at 10 AM. Next program is June 11, featuring Rabbi Dan Danson of Mount Sinai Temple in Wausau, discussing the religious right. Phone 385-2975 for further information or see their latest newsletter on the bulletin board.

### Human Rights

Barbara Frey, Director of Minnesota Advocates for Human Rights, will be in Madison today (June 4) to speak about her group's efforts to help human rights victims and use laws and moral pressure to stop abuses. She will also discuss the group's interest in developing a similar grassroots program in Wisconsin or in joining together with other states in a regional effort. The talk is scheduled for 1 PM at Edgewood College, Regina Hall in the Washburn Heritage Room.
