“Prayer Dance”

Lift my knees from the ground  
I will put my feet down  
I will dance all my prayers unto God.  
With a swing and a sway  
I will do it my way  
That's why I dance all my prayers unto God

Do I stand for peace and love?  
Yes I will, I will express myself to God  
in my dance  
When I pray, I feel rhythm and song  
That's why I dance,  
dance all my prayers unto God

ya terminó.  
Donde quiera que tú vayas te deseo lo  
Que seas feliz, feliz, adiós.  
No hay mal que por bien no venga.  
No hay mal, No hay mal.

**OUT OF ALL BAD  
SOME GOOD  
THINGS COME**  
(No Hay Mal  
Que Por Bien No Venga)  
Lyrics & Melody by Gloria Estefan,  
Emilio Estefan, Jr. & Jon Secada  
Music by Cochaco

Our love was an ardent passion  
A radiant light that filled my sensit  
It's not possible, inconceivable  
That this flame has gone out.  
Perhaps it was all an illusion on bo  
So nothing's lost, in the end,  
You taught me to love.  
In your arms I lived so many nig  
Filled with pleasure.  
And if time and distance finally  
to forget,  
One day we'll love again  
My beloved love, our love wa  
an ardent passion  
That transformed our souls  
Wherever you go I wish yo  
May you be happy, happy, I  
Out of all bad, some good

**6. NO HAY MAL QUE  
POR BIEN NO VENGA**

Música: Israel López "Cochaco"  
Letra: Gloria Estefan, Emilio Estefan Jr. & Jon Secada

Fue nuestro amor una ardiente pasión  
radiante luz que llenaba mi sensible corazón  
No es posible, inconceivable que esa llama  
se apagó  
quizás fue solamente una ilusión de los dos  
y que más da, si al final me enseñaste a querer,  
Entre tus brazos, viví tantas noches de placer  
y si el tiempo y la distancia nos ayudan a olvidar  
volveremos amar.

Mi querido amor,  
fue nuestro amor un ardiente pasión
