THE GREAT STORM IS OVER

written by Bob Franke
performed by John McCutcheon

The thunder and lightning gave voice to the night
A little small child cried aloud in her fright
Hush little baby, a story I will tell
Of a love that has vanquished the powers of hell

Hallelujah, the great storm is over
Lift up your wings and fly
Hallelujah, the great storm is over
Lift up your wings and fly

Sweetness in the air and justice on the wind
Laughter in the house where the mourners had been
The deaf shall have music, the blind have new eyes
The standards of death taken down by surprise

chorus

Release for the captives, men to the wars
Streams in the desert, new hope for the poor
Little small children shall dance as they sing
And play with the bears and the lions in spring

chorus

Hush little baby, let go of your fears
The Lord loves his own and your mother is here
The babe fell asleep as the lantern did burn
The mother sang on till her bridegroom's return

chorus
