SOLIDARITY FOREVER

Words: *Ralph Chaplin (1915)* Tune: *Battle Hymn of the Republic*

When the union's inspiration through the workers' blood shall run,
There can be no power greater anywhere beneath the sun;
Yet what force on earth is weaker than the feeble strength of one,
But the union makes us strong.

CHORUS:

Solidarity forever,
Solidarity forever,
Solidarity forever,
The union makes us strong.

It is we who plowed the prairies, built the cities where they trade;
Dug the mines and built the workshops, endless miles of railroad laid;
Now we stand outcast and starving midst the wonders we have made;
But the union makes us strong.

CHORUS

They have taken untold millions that they never toiled to earn,
But without our brain and muscle not a single wheel can turn.
We can break their haughty power, gain our freedom when we learn
That the union makes us strong.

CHORUS

In our hands is placed a power greater than their hoarded gold,
Greater than the might of armies magnified a thousand-fold.
We can bring to birth a new world from the ashes of the old,
For the union makes us strong.

CHORUS
