We light this chalice to find inner peace,

Announcements

Green Note: There's much discussion these days about the etiquette behind the trend to 're-gift', that is, to pass on a gift you received but do not need. What's to discuss? Re-gifting makes perfect sense. If you receive something you really don't need, look for ways you can reuse this gift by passing it on to someone who can use it. Of course, re-gifting needs to be done with care so as not to offend the original giver, but keeping a gift you don't need is wasteful. (eartheasy.com)

The Humanist Union will meet today after the service. The meeting will start with a potluck lunch at 11:45, followed by a presentation led by Ken Haydock titled “Quakers in the 21st Century.”

Drop and Shop! Noon to 4:00 pm December 13
Drop your kids off at Prairie for an afternoon of games, crafts, music, movies and fun! Suggested donation is \$15 for one child, \$20 for two, and \$25 for three or more. If you don't have students in RE, consider gifting this to someone you know who does have children! It's a low-cost way to make a big impact for someone who does the daily work of raising great kids. If you know you can make it please register by emailing dre@uuprairie.org - and letting us know how many kids you plan to bring. This will help with planning.

Prairie's Book Club will meet Sunday, December 14, after the service to discuss *Salt, Sugar, and Fat: How the Food Giants Hooked Us* by Michael Moss. This book was suggested by Mary Frantz.

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
