### Announcements

**For the month of July, we will share our offertory collection with Porchlight**, a community agency that supports people struggling with mental health issues and homelessness. Porchlight runs several programs: a Daytime Resource Center that offers employment counseling, housing counseling, assistance with obtaining identifications, personal hygiene products, and use of telephone and mail services; they have an Emergency Shelter for adult men at the drop in shelter (Grace Episcopal) and two over flow shelters which between 160-180 men a night in the winter and provide 2 hot meals a day and laundry facilities. Porchlight also helps prevent evictions with people experiencing financial difficulties. And finally, it operates Safe Haven, which provides temporary support for people with mental illness. Please be generous.

**The Humanist Union** will meet on Sunday, July 10, the second Sunday of July. The meeting will start at noon with a potluck lunch, followed by photos by Ingrid Laas of the Reason Rally in Washington, D.C., and a discussion on expanding Humanist Union programming.

**Let your song be heard!** Paula Pachciarz is putting together the service for July 31, which will feature original music by Prairie members. If you have an original song you'd like to share for the service, let Paula know!

**The annual joint service with the Free Congregation** in Sauk City will be held on July 24. The service begins at 10:00am with a potluck afterward. If you'd like to participate in the service by choosing and reading a poem about trees (or nature in general), please contact Dan Klock or Rev. Sandy.

#### **Prairie UU Society Bond of Union**

*We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.*
