**We will share our offering** for the second fiscal quarter with Project Respect. Project Respect is a women's center which provides advocacy, case management, counseling, crisis intervention, transitional housing, and a safe, nonjudgmental space for peer support group services for women with a history of prostitution.

**The next Spanish Speakers Potluck** will be held on Monday, June 18, at 6:30 pm at the home of Amy Schulz, 2304 S. Seyene Rd, in Fitchburg. Spanish Speakers Potluck is open to all Prairie people. All levels of Spanish welcome. Bring a dish to pass if convenient - if not, come anyway! Call Rosemary Dorney at 238-4382 for more information or to arrange a ride.

**Benefit Allied Neighborhood:** Beautiful photographic note cards created by Diane Stevens are for sale in a basket in lobby. All proceeds go to Allied Partners for eviction prevention and special projects.

**SAVE THE DATE: JUNE 28, from 7-9**, for a book presentation at First Unitarian Society. The book is We Rise to Resist: Voices from a New Era in Women's Political Action. "I'm not giving up -- and neither should you" became the mantra for women everywhere who were deeply disappointed in the outcome of the 2016 presidential election. Thirty-six resisters have contributed essays and interviews to We Rise to Resist, including a former Wisconsin Supreme Court Justice, an award-winning female theologian, a New Mexico assistant Attorney General and a naturalized Muslim-American. And, Prairie's own Rev. Sandy had the honor of writing the last essay in the book to wrap it all up. Please join her on June 28th to celebrate the publication of this inspiring collection!!

#### **Prairie UU Society Bond of Union**

*We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.*
