We will share our offertory collection this quarter with The Catalyst Project, Inc. which is a nonprofit organization that helps up to four homeless mothers with children by providing housing with live-in residents who mentor, offer problems solving and other therapeutic interventions as each family unit needs. The Humanist Union meets today in the Meeting

House. Ken Haydock will continue the discussion about "Democracy and the Electoral College" with a Q&A. All are welcome to attend. A potluck lunch starts at 11:45, followed by the discussion at 12:15.

**Farewell Party for Rev. Sandy March 24!** There will be a reception right after service on Sunday, March 24, to wish our Reverend Sandy Ingham well as she completes her ministry with us. Please plan to stay, eat cake, and perhaps say a few words about her and our time together. Let's have a nice send-off for her!

We are still collecting house goods and housewares for the Tenant Resource Center and The Road Home. A complete list is posted in the lobby but in general we are looking for: bedding, dishes, pots and pans, silverware, cleaning supplies, dish and bath towels, etc, or things people need when moving into permanent housing. You can leave items in baskets under tables in lobby or ask a member of the social action committee for help moving things. Thank you for your generosity!

**This month's art display** is by Prairie artists from the Paint Your Pet auction activity.

#### Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
