***Prairie UU Society Bond of Union***

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.

We are sharing our **Offering** this quarter with the **The Catalyst Project** which is a community of up to four single moms and their kids who are experiencing homelessness. The families gain access to permanent housing and other support services while living community-style in a house on Madison's east side.

### **Prairie Sing Along (every Sunday) 6pm**

Everyone is welcomed to Prairie's Singalong Sunday night at 6 to 7:30 pm. We use the Rise Up Singing songbook. Let Patty Stockdale know if you need a songbook, or buy it online. Each person is encouraged to pick out a song or 2, so we have ready selections. When you lead a song, you can practice your guitar or ukulele and sing with no judgements! It will bring out the folk rock star that you are. If your kids have song choices, let's try them too!. Invite your friends!

### **Service: Another Way: My Journey on the Moving Walkway of Racism by Madeline Arnold - 10/11 10am**

We are in the midst of a national reckoning on race, spurred by the murders of George Floyd, Breonna Taylor, and others. What does it look like for us to bear witness to these racist killings and fight white supremacy as individuals and in community? Many paths are possible and necessary. I will share my personal journey coming to recognize and work against the moving walkway of racism, a metaphor used by Dr. Beverly Daniel-Tatum. As a UU who grew up at Prairie, I also hope to share a few thoughts on how Prairie and its members may be uniquely situated to both perpetuate anti-blackness and resist it.
