***Prairie UU Society Bond of Union***

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.

We are sharing our **Offering** this quarter with the **Tenant Resource Center** which is dedicated to promoting positive relations between rental housing consumers (tenants) and providers (landlords) by providing information and

referrals, education about rental rights and responsibilities, and access to conflict resolution.
