 A deeper joy in this life we share.

Discussion

Offering and Offertory: "Bagatelle #1, from Opus 126 by Beethoven

Closing Words: "It is Our Journey Together," by Debra Haffner.

We are on a journey.
 We didn't plan it.
 We didn't have time for the bread to rise.
 We may find ourselves in the wilderness, hungry, thirsty, Doubting that we should have ever come.
 But look around:
 We are not alone.
 It is our journey together:
 A journey to our better selves,
 A journey to a better world,
 A journey to a more promised land.

Closing Music: "Love is Love," by Abbie Betinis, music by Johann Pachelbel, performed by the First Universalist Church in Minneapolis choir (including Patty Stockdale, Mary Mullen, and Morris Sadicario).

Study Group Begins in September! After a summer hiatus, Prairie's Study Group will meet the 2nd and 4th Monday of each month at 7:00 pm via Zoom. The September meetings will be on the 13th and 27th. We'll be discussing the book Braiding Sweetgrass: Indigenous Wisdom, Scientific Knowledge and the Teachings of Plants by Robin Wall Kimmereras. Heidi Hughes will lead the discussion.

Would you like to be on the Committee on Ministry? The Committee on Ministry will work with the board, minister, congregation and other committees with the goals of strengthening the congregation's ministry, which is the action we take to fulfill our mission. This committee will evaluate the performance of our minister, and give feedback to our leaders and congregation as a whole as to how to better fulfill our mission, including how we manifest our values within our congregation and in the local and global communities. Please contact a member of the Nominating Committee if you're interested.

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.

"Unitarian, Suffragist, and Black," by Frances E. W. Harper.

Few of us have heard of Frances Ellen Watkins Harper, the leading Black poet of the 19th century, a novelist and essayist, a fighter for abolition, temperance and women's suffrage. She chose to join the Unitarian church as an adult because it supported her aspirations for the country. The first full biography of this important figure has just been published to help us uncover her story.
