Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.

"Reproductive Justice" by UUA Side With Love

As Unitarian Universalists, we believe that all bodies are sacred. Every person has the right to determine what happens to their own body at all phases of life. In commemoration of the anniversary of Roe v. Wade and the ongoing fight for reproductive health, rights, and justice, join UU congregations across the country for a Sunday of solidarity, support, and reflection.
