For the beauty of the earth,
this spinning blue green ball, yes!
Gaia, mother of everything,
we walk gently across your back
to come together again
in this place
to remember how we can live
to remember who we are
to create how we will be.
Gaia, our home,
The lap in which we live -
welcome us.

Opening Music: #338 SLT "I Seek the Spirit of a
Child" accompanied by Carl Wacker

Story For All Ages: *My Mommy Hung the Moon: A
Love Story* by Jamie Lee Curtis, illustrated by Laura
Cornell. Read by our Director of Religious

As you go on your way, may you be filled with
Gladness.
Go in joy, go in joy!
May fortune bless your day with peace and

Discussion

Offering and Offertory: "The Story Goes On"
music by David Shire, lyrics by Richard Maltby Jr.
performed by Judy and Paula

Closing Words: by Starhawk
Earth mother, star mother,
You who are called by a thousand names,
May all remember we are cells in your body
and dance together.
You are the grain and the loaf that sustains us
each day, and as you are patient with our
struggles to learn
So shall we be patient with ourselves and each
other.
We are radiant light and sacred dark - the balance
You are the embrace that heartens
And the freedom beyond fear.
Within you we are born, we grow, live, and die -
You bring us around the circle to rebirth,
Within us you dance
Forever.

Closing Music: #1059 SLJ "May Your Life Be As a
Song" accompanied by Carl

Service: Sunday, May 21, 10:00 am "Will China Spark WWII?" by Ed Friedman

A brief history of US-China relations, where we are now, and what the future might be. This talk is sponsored by BadgerTalks.

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
