AN INVITATION

As we prepare to begin our third year of activity as a newly organized Unitarian Society in Madison, we look forward to an interesting and exciting season of instituting some new and unique approaches to a liberal religious fellowship. A perusal of the Prairie Society's religious education program will reveal many innovations in our treatment of the religious and ethical orientation of our children. During the Sunday morning adult services we will continue to add to our religious experiences by introducing new and varied programs.

A major feature of our third year is our new "home". This year we will be meeting at the YWCA, at the corner of Mifflin and Pinckney Streets on the Square. This new location will offer several conveniences. It is hoped that more people who might be interested in joining our society will find the central-city location more accessible than our previous meeting place. Parking will be less of a problem since there is a large municipal parking lot across the street from the YWCA.

We would like to use this newsletter as an invitation to all who receive it to join us any Sunday morning to share our service and find out for yourself what the Prairie Society is. We encourage you to bring your children to visit their appropriate church-school age group at the same time. The teachers are flexible and welcome visitors to their classrooms. We are sending this newsletter to many whose names have been suggested by several of our members. If any of you who are not on our regular mailing list would like to receive our bimonthly newsletter, please sign the appropriate list at Sunday service or notify our Executive Secretary, Mrs. Orie Loucks, 238-2403.

PARISH MEETING

There will be a parish meeting on September 14, 1969 at 8 p.m. in Room 208, at the YWCA. Several important decisions must be made regarding the parish at that time. Least among these will be the adoption of a 1969-1970 budget. Mark your calendar now and line up a baby sitter!
