January 18 - "The Tenets of the Baha'i World Religion"

January 25 - Discussion of the meaning of Hinduism, Islam, and the Baha'i Faith to us and our present lives.

---

During the last two programs this month we will continue the discussion of some of the world religions.

On January 18 we will learn a bit about the Baha'i Faith, which is an attempt to formulate a "world religion", one that might meet the needs of all people.

On January 25 we will close this series with a discussion at which several of our previous speakers will be present. We can continue thinking about the pertinence of these various religious beliefs to our own lives and to our interaction with countries in which they are the dominant beliefs.

#### RELIGIOUS EDUCATION

There will be a joint meeting of the RE committee and the Sunday School teachers on Thursday, January 15 at 8:00 p.m. at the home of Jane Ruck, 4168 Cherokee Dr.

#### REPORT FROM THE BOARD

The January board meeting voted to transfer to the Prairie Site group the \$2000 that was in our savings account to assist that group in purchasing the Prairie site. The money, loaned for a period of no longer than six months, is recallable at any time and is at the same rate of interest as the savings account. This will enable the Prairie Site group to make its final arrangements for purchase.

#### LONG RANGE PLANNING DISCUSSION GROUPS

The Long Range Planning committee met Monday, January 12 at Ted Fetters' home to work out the final plans for a series of small informal group discussion involving all members and friends of the Prairie Unitarian-Universalist Society.

These discussions will be held at various members' homes. The purpose of these discussions will be to discuss the kind of minister we hire and his responsibilities. Other matters relative to the long range goals of our group will also be covered.

More information about these discussion groups will be forthcoming soon.
