MINISTER ATTENDS FIRST MEETING OF NEW BOARD

On May 26, 1970 the newly elected executive board met for the first time. David and Pat Meyer attended the meeting which gave the board an opportunity to talk with them about general plans for the fall. The Meyers expressed their happiness and anticipation at joining us in September. The Ministerial Relations committee is still searching for housing for the Meyers. Anyone who has any good suggestions about possible housing for them should contact John Miller.
