PARISH MEETING

About 30 people attended the parish meeting held Sunday evening, September 20 at the YWCA. The president, Joan Burns, gave a brief summary of the summer activities. Committee chairmen presented reports and there was a discussion by Prairie members of the social action that the Society wants to take this year. A proposed budget for the 1970-71 fiscal year was adopted. The minutes of the parish meeting will accompany the next Newsletter.

PLEDGE SUNDAY - SEPTEMBER 27

Our budget for 1971 (don't forget we have a new minister) is about $11,000. This means that the average pledge must be at least $225 per year or we will fail to pay our way. Our canvass starts this week and each of you will be contacted on Pledge Sunday, September 27. Show your support of the Society by signing a pledge card. We hope you will review your situation and both adequately and realistically make your 1971 pledge.

UPHAMWOODS CAMP You are reminded to send or give your reservations for the weekend at Camp Upham Woods (Oct. 23, 24, and 25) to Rachel Siegfried by October 1. We need to know so that we can complete plans.

RELIGIOUS EDUCATION

What Kind of Religion Is Your Child Getting?

The teachers and religious education committee met at the home of the director, Norma Magnuson and discussed objectives. These are the things we hope your child will receive in our program: a familiarity with his religious heritage, an appreciation of individual differences in their many forms, an exposure to different expressions of unitarianism, an environment in which his own exploration of life's meaning will be encouraged, an understanding of the interrelationship of all things in the natural world, the growth of behavioral ethics an affirmation of himself and a feeling of participation in a community of people concerned about each other and their world.

An outcome of the discussion was a strong feeling that the response of the total adult group to each child is an important part of his religious experience. Please help us give him a loving and provocative experience.

YOUTH Group: Bicycling Sunday, Sept. 27, meet at Vilas Park shelter (between lake & lagoon) at 12:15. Ride to the Prairie site and down the hill to the Franks'. Bring sack lunch.
