ANNUAL MEETING

The Annual Meeting of the Prairie Society will be held on Sunday, May 23, at Ted and Rebecca Clark's home, 1134 Waban Hill at 7:30 p.m. The main business to be considered at that meeting will be the election of officers to the Board of Directors and of the three members of the Committee on Committees. The membership will also be asked to consider recommendations presented by the board, concerning housing for the Society for next year. All members and friends of Prairie Society are urged to attend. We will attempt to get business taken care of quickly, leaving time for socializing. As in the past, the cost of refreshments will be met by small contributions from those attending.

CHARLES EDDIS TO VISIT PRAIRIE SOCIETY

In order to give us the option of retaining a minister in the future, we had set for ourselves a goal of a moderate growth in membership. It has been a cause of recent serious concern that this goal is not being met. A close friend of Dave's, Charles Eddis, minister of the Evanston Unitarian Church, has been in fellowships with similar problems twice in his career, and has seen the problems solved. He offered to Dave to spend three days with us to make his experience available to us.

The Ministerial Relations committee has suggested, and the board has approved, that we take him up on his offer. He has agreed to come on Sunday, May 23, the day of the Annual Meeting. Monday and Tuesday we will have topical meetings and Tuesday evening a meeting-party. We hope to have wide participation by interested members and friends.
