A SUMMER MESSAGE FROM THE MEYERS

We are about to leave for the northwoods of Minnesota. Before we go we would like to extend our warmest thanks to the whole Prairie Society for a very good year. As many of you certainly know, we have been extremely pleased and happy in the Prairie. Our first year in Madison has been exciting and very rewarding. We look forward eagerly to the fall. It is clear to us that, though the Prairie Society is not completely unusual, we as a group are evolving a new and unusual model for a religious community and for a ministerial leader. It is our hope that throughout next year we may as a group place some focus on the nature of this new model. This focus might include some discussion groups, some reading (there actually are a few articles and books concerned with many of the things we have been concerned with at Prairie), and perhaps some contact with those few other groups in the Unitarian-Universalist Association that are moving like us toward some new model. By the end of the year we might have some clarity about just what the patterns of this new model are (and, maybe as significantly, where we neither have nor desire patterns). At any rate, the Meyers want to thank Prairie for a wonderful year as we all look forward to another together.

Just as a little postscript for those of you who don't already know it, we are headed for the Northwoods of Minnesota, because we direct a Unitarian camp for all ages (literally infants to elderly!). The camp is called Unistar on Star Island in Cass Lake. It's just the sort of very casual and informal place that Prairie people might love as much as we do, so if you still have no vacation plans, write us for a brochure at Camp Unistar, Star Island, Cass Lake, Minn. 56633. Our phone there is 218-335-2335. If anything else should come up where anyone would want to contact us, please feel free to write or call. Until fall. . .

Love and Shalom

Pat and Dave

RELIGIOUS EDUCATION Thanks go to Sydney Mannering, Karen Peters, Leslie Miller, Mark and Nancy McElreath for teaching Sunday School during the spring session. during the year were: Jane Hammatt, Rebecca and Rod French, Nancy McElreath, Melinda Roznoy, Karen Peters, Joan Burns, Sheila Swanson, Leise Davidson, Sarah Clark, Karen Frank, Rosyl Koehl.

HOSPITAL BULLETIN

I would like to thank all of you who have written, phoned, come, brought flowers, invited the family or supplied them with dinner, in this way for your help and generosity. It is very gratifying to know that one is thought of and remembered, bringing moments of brightness into the hours of discomfort and pain that follow surgery.

I'm sorry to have been absent so long, but I thank you for sharing yourselves in this way. Continue to do so, for it looks as if I'll be down for a while longer.

Love,

Lilo

ANNOUNCEMENTS

Rose Wolfinger and Gordon Klauber were married May 29 at the First Unitarian Society by Dave Meyer.

Marv and Diane Miracle have a new baby boy, Larry Marvin, born May 23. Congratulations from Prairie for a new Miracle!

Lilo Koehl and Mary Burbridge are both in Madison General Hospital.

We have several new members of the Prairie Society: Burt and Sheila Swanson, Louise Vogel, John and Marilyn Hempstead, Rosemary Dorney, and Marv and Diane Miracle. Welcome.

One summer long ago on a "rare day in June" my younger sister and I were given a ride into the Sudeten Mountains by a young man who told us he'd be happy to take us along, but in exchange for the transportation we'd have to learn a poem. We agreed, since beggars (hitchhikers) can't be choosers. Besides he had a nice new car. Here then is the translation of the lines that have stayed with me for all these years.

JUNE

Lilo Koehl

The meadows carry gold in their grass fingers.
Outdoors! Outdoors! On days like these!
And carry your heart as you would a flag,
Holding it high, into the sun, into the sky.
And call out to others, who are really your brothers
To share with your heart and to share with your hand
The beauty of June days --
Who knows when they'll end.
