A request has been made by Lynn Reeder to aid in finding a home during the school year for a 16 year old boy from the Chicago ghetto. He lived in Madison last year and attended Queen of Apostles School (lower tuition than public schools). The family in Madison is unable to continue this year and the boy would like to find another arrangement. His mother is able to provide financial assistance. If you could help, or you know of anyone, or you want more information call either Lynn (238-8867) or Cora White (255-0691).
