Dear Prairie Members,

Equal opportunity for Blacks in Mississippi is NOT an accomplished fact, despite the efforts and sacrifices of the 1960's. With Nixon's policy of returning Federal decision making power and administration to the states, Mississippi Blacks are suffering.

This must again be an era of private resource input! Madison Measure for Measure, a tax exempt organization in existence since 1965, sends 96% of its money contributions, clothes, household linens, and kitchen ware directly to two self-help farms now in desperate need--North Bolivar County Farm Cooperative and Fannie Lou Hamer's Freedom Farm Corporation. There are other groups of Blacks in need whom we would like to help, but we cannot extend ourselves without more personnel in Madison M4M and more money.

Madison M4M needs people who carry this commitment of equal rights. If you are interested in being an active participant, or wish to contribute money and are not already on the list, please contact me at 233-1208 or contact Dick or Lee Lewis after 5:30 PM at 257-8771.

Thank you,  
Bunny Wilkening
