24 FEB.
THE SOCIAL ACTIONS COMMITTEE urges all Prairie members and friends to write their Congressman and Senator in support of current legislation concerning the rights of biological fathers of children born out of wedlock. Hundreds of decisions are not being completed in many adoption courts throughout Wisconsin because of problems connected with the "termination of parental rights of the father of the child." Among other things, the rights of the biological father would be terminated within 45 days after birth, allowing prompt placement of the child into an adoptive home. Organizations in favor of this bill include the Wisconsin Welfare Council, the Wisconsin chapter of the National Association of Social Workers, and various adoption agencies in the state. Copies of the bill are available by calling 266-0341 and asking for Senate Bill 566.

GARDEN MEETING: David and Barbara Carson invite anyone interested in the PRAIRIE COMMUNITY COOPERATIVE GARDEN for 1974 to join them for a meeting and lunch, right after church on Sun., 17 Feb. Directions to the Carson farm: Vilas Road, 3 miles east of Madison, 2 blocks south of Cottage Grove Rd. Members should bring a food to prepare. PLEASE! The executive board has directed that the second newsletter be sent out each month, whether or not there is any news to put in it. In the past there have been no mid-month news items and that is why you have not gotten a mid-month newsletter. The deadline dates have been reprinted in this month's calendar, so please send me some material, as I shall feel exceedingly guilty about wasting Prairie money to mail you a blank sheet of paper.

THE EDITOR

THE SOCIAL ACTIONS COMMITTEE voted unanimously to match the $10 gift to the committee from David Carson and donate the resulting $20 to a lobby now working to get support for a National Health Program. The group is called the National Health Security Committee, and it is organizing in support of the Kennedy-Griffiths Bill now before the Federal legislature.

THE PLAYREADERS are planning a Prairie Theater Party. Would you like to attend? We will see the Milwaukee Repertory Company's production of Christopher Marlowe's The Tragical History of Dr. Faustus, on Sat. 30 March. The show begins at 5:15 PM, with dinner afterwards for those who would like it at the very nice, but not very expensive VELVET CHAIR restaurant, located in the theater. Tickets are: $6.00, $5.00, and $3.50. Contact Pat Watkins (233-5795) or Linda Plum (836-3547) by Feb 10 at the latest if you are interested in attending, or if you have any questions. Money must be in by 17 Feb or earlier.
THE SOCIAL ACTIONS COMMITTEE is appalled by the recent state law which allows physicians and hospitals to refuse to grant abortions or sterilization. In many parts of this state, medical facilities are so limited that individuals with much need and little money have no choice but to abide by the decision of their physician or hospital. ZERO POPULATION GROWTH and several other organizations are gathering forces and funds for a test case; THE SOCIAL ACTIONS COMMITTEE HAS VOTED TO GIVE THAT GROUP A $30 AWARD IN SUPPORT OF ITS EFFORTS TO FIGHT THIS NEW LAW.

THE SOCIAL ACTIONS COMMITTEE (those busy little beavers deserve a round of applause for all their hard work) are posting a coupon list of food items which are valuable to the folks at Central Colony, on the Prairie bulletin board. We will begin saving labels, boxes, box tops, lids, coupons, etc., redeemable for gifts for Central Colony. Let's all help in this effort. Note especially the starred items. The box for the coupons will be attached to the bulletin board at this Sunday's service.
