DETAILS OF COMING EVENTS

Sunday, May 9

This is the first of a series of programs on Islam by Bob Lawrence, a Prairie member who has spoken before. He is well-informed about the Muslim world and will share his interesting insights.

Sunday, May 16

The program, “Give Me Your Tired...But Not Yet!” will be presented by Andrew Somers, Prairie member and President of the Irish American Unity Conference, a human rights organization based in Washington D.C. He will review current dilemmas faced by the stranger coming to our shores in hopes of starting a new life.

The new immigrants are faced with racism and hatred fueled by the tragedy of 9-11. Judge Somers will discuss a few cases he has worked that involved “deportees” and people subject to extradition struggles. The battles took place in our courts as well as in the halls of Congress trying to obtain asylum for “political offenders.” The current administration wants to follow GWB’s father’s attempt to remove the “Political Offence” exception to the removal of people from our land. We will also review current efforts to gain votes by easing our laws to allow “illegals” to gain valid status.

Next Prairie Fire Deadline: May 16
SPRING PARISH MEETING APRIL 25
At the parish meeting on April 25, the membership elected the slate of officers for 2004-2005 nominated by the Committee on Committees, and also elected new members of that committee (Norma Briggs, Rick Ruecking and Mary Mullen). Susan Hagstrom will carry over from last year's committee. The incoming board will appoint one of its members to the committee.

Sarah Lord and Nancy Schraufnagel will be Prairie's delegates to General Assembly.

In other action, the membership decided:
* To establish the position of Corresponding Secretary;
* To seek a part-time temporary minister;
* Not to establish a committee to work with an architect to determine if our present building could be modified to meet growth needs.

Finally, the membership adopted a resolution supporting the legalization of same-sex marriage.

Mike Briggs, Secretary

CHORISTERS TO REST VOICES
Our choir director, Barbara Park, has suspended choir rehearsals until the fall. A summer get-together is being planned for early June for choristers and prospective members of the choir. Details will be announced in a forthcoming issue of Prairie Fire.

PLAYREADERS ON JUNE 11
A Prairie Playreaders Annual Fish Dinner will be held at the home of Pat Watkins on Friday, June 11, starting at 5:30 p.m. The dinner will be followed by the reading of a one-act play and dessert. Save the date; more information to come in the next issue.

HABITAT FOR HUMANITY WALK MAY 23
The high school and middle school classes from Prairie have put together a 5K walk as a fundraiser for Habitat for Humanity. The older students are also working on a building project. We’ve been working hard, and have a planned date for the walk on May 23, around 1 p.m. If you would like to pledge, contact any of the students.

Walkers will be circulating pledge forms at Prairie the next two Sundays and amongst their friends; all the money raised will go directly to Habitat. Brian has planned the route through the Arboretum; it should be beautiful. Any interested adults are welcome to join us, as well as any of the RE kids’ friends. If you are interested, please contact any of the Middle School/High School Teachers---K.K. Anderson, Brian Kudzas, Rachel Long, or Larry Nahlik.

AUCTION ITEMS AVAILABLE
At the Prairie Annual Auction, five items were not bid on and were held in reserve. We have placed a notice for silent auction on each item at the Prairie welcoming table for five Sundays. The items are child care and adult (respite) care.

If you are interested in more information on the child or respite care or want to bid and cannot attend Sunday services, contact Kathy Converse at conversekrtm@msn.com or 608-238-1856.

PRAIRIE BUS TRIP FUNDRAISER JUNE 19
On Saturday, June 19, we will travel to the Rose Show at Boerner Gardens in Whitnall Park (and the peonies will probably still be in bloom), followed by lunch at Mader's German Restaurant in Milwaukee's Historic Third Ward. Then, it's off to the Milwaukee Public Museum for the I-Max film on Egypt, followed by the Egyptian exhibit "The Quest for Immortality: Treasures of Ancient Egypt" (audio guide included).

NOTE: The price of the entire package and transportation is $68, which is due no later than May 15th. (This corrects the price that was incorrectly reported in the last issue of Prairie Fire.)

For additional details, contact Pat Watkins at 233-5795.

Wesak (on May 4) is the most important day of the year for Buddhists. Coming on the full moon, it marks the triple celebration of the Buddha's Birth, Enlightenment, and Final Demise. --Multifaith Calendar 2004
SPRING FLING MAY 15
We will be wrapping up our traditional RE calendar year in May, although there seems to be interest in planning some summer field trips or activities so the kids can keep in touch with each other.

On May 15 we will be having our Spring Fling. Believe it or not, it has actually been three months since our Wild Wintering sleep-over. These sleepovers at Prairie are unique because they are for all the RE kids, of all ages, and frequently the students bring close friends, as well.

The event will start on Saturday at 3:30 at Prairie. As we are waiting for everybody to arrive, those who are bringing tents can set them up in the side yard, unless you would rather sleep inside. Both places will be supervised by the RE teachers.

We will leave from Prairie at about 4 p.m. in a car caravan, organized by Robin Carre, to drive over to the house of three of our RE students. There we will have an indoor pool party and play some games. If you don’t want to swim, no problem... you can just do the other activities. Also, if you have some other event going on and will be arriving late, a couple adults will stay behind at Prairie. They can take you over to the pool party.

After the swim we will go back to Prairie for Brian’s cookout. Each kid should bring $3 to cover the cost of supper and breakfast, and Brian will provide all the food. The youth can select whether they want a brat, hamburger, or veggie burger on their permission forms, which will be distributed next week. If you won’t be there, send an e-mail to jeanie.trigg@sbcglobal.net and I will e-mail one to you.

After supper Erin will be organizing the games and activities. For those who are still awake, the last activity will be a movie that one of the teens will be bringing. If you have a child who isn’t sure about the “sleep-over” part, tell her/him that it’s okay to just come for the other activities and go home to sleep, or even better, talk Mom or Dad into bringing their sleeping bag to keep you company.

The next morning, we will wake up to the aroma of Dean cooking our breakfast again...the “rise and shine” man. After breakfast, the kids will need to roll up their sleeping bags and pack up their gear by the time the adult service and regular RE classes start. The end of another memorable sleep-over!

TRANSITION SUNDAY MAY 23
The following Sunday will be Transition Sunday, May 23. This is when any RE students who are graduating from middle school or high school are honored in an inter-generational service. It’s an opportunity for the congregation to become better acquainted with these students and celebrate their uniqueness. Robin Carre has agreed to lead this special event.

UUSC E-MAIL BULLETIN
The Unitarian Universalist Service Committee: advancing human rights and social justice in the United States and throughout the world.

Action alert: Urge Congress to balance social needs against the rising cost of Iraq war
With Congress now debating federal budget priorities for the next fiscal year, it is imperative for social justice activists to urge policy-makers to balance pressing social needs against the ever-increasing costs of the war in Iraq.

Contact your members of Congress to urge them to reject a budget conference report that offers little help to millions of American families and especially hurts low-income families. To learn more about this pressing issue and to find out how much the war and occupation of Iraq is costing you, visit: http://www.uusc.org/news/alert041604.html

Defending Democracy is among UUSC highlights at General Assembly 2004
Make sure your schedule at the General Assembly of the Unitarian Universalist Association, held this year in Long Beach, Calif., June 24-28, includes UUSC events. Join us to learn about our Defending Democracy get-out-the-vote campaign, attend the premiere of a documentary film about the U.S. government's attack on our civil liberties, and meet courageous human rights activists from Burma and Guatemala.

UUSC members are invited to attend our annual meeting and volunteer recognition luncheon at 12:30 p.m., Saturday, June 26, in the Beacon B room of the Hyatt Regency Hotel. Tickets are $20 and available in advance by calling UUSC at 800-766-5236 or, if space is still available, at the UUSC booth in the exhibit hall.

Young activists can defend democracy at summer 2004 workcamps
UUSC invites youth and young adults to combine learning and fun this summer. Join us for one of our voter-education workcamps that will provide participants with electoral-related skills to take back to their communities while being inspired, encouraged and motivated by community activists.

Participants in the Freedom Summer workcamp: A Civil Rights Journey will join UUSC for a civil rights journey to key Southern cities and will meet some of the activists from Freedom Summer in 1964. Defending Democracy workcamps will be held in Boston and New York City to coincide with the Democratic and Republican national conventions in July and August.

UUSC supports shareholder resolutions that promote responsible corporate behavior
Building on more than a decade of work, UUSC continues to engage in shareholder advocacy, leveraging our role as an investor to advocate for more responsible corporate behavior on the part of targeted companies. We know that ownership in a company, as a shareholder, is a powerful vehicle for raising social justice issues within the corporate structure and then ensuring the development of policies and practices that promote human rights. To learn more about UUSC's shareholder advocacy, visit http://www.uusc.org/info/shareholder.html

Fair trade festival was "fun to the last drop"
Engaging in fair trade can be a fun and rewarding opportunity for your community even as it provides small farmers throughout the world with a fair price for their products. Just take the example of All Souls Unitarian Church in Washington, D.C., which held a Fair Trade Festival on April 10.

To read more about the Fair Trade Festival and learn about ways your congregation can support fair trade, visit www.uusc.org/info/article042804.html

Sign up for advocacy opportunities

You already receive UUSC's monthly e-mail bulletin but did you know you can sign up online for other advocacy opportunities? PLANTS IN FLOWER ON PRAIRIE UU GROUNDS
On April 18, the following species of plants, most of which had been lovingly planted and cared for by Prairie members, were in flower on the grounds around Prairie UU’s building. They were put to good use and greatly enjoyed by children of all ages in a treasure hunt that was part of our celebration of spring and Earth Day.

This is the first installment of a series calling attention to these superb aesthetic assets for which we have many people to thank.

--In the planted prairie: Prairie smoke (Geum triflorum)
--Shrub in the lawn: Forsythia (Forsythia sp.)
--In the shade garden behind the building: Violets (Viola spp.); Wild ginger (Asarum canadense); Virginia bluebells (Mertensia virginiana); Bloodroot (Sanguinaria canadensis); Red trillium (Trillium recurvatum); Greater periwinkle (Vinca minor)
--Weeds: Dandelion (Taraxacum officinale); Creeping-charlie (Glechoma hederacea)
