**Church School Celebrates Passover**

The traditional Passover seder was held by all classes who together, on April 7th, celebrated the exile of the Israelites with symbolic foods, readings, story, song and dance. Ruth Calden and members of her class planned and prepared the special event. The seder was one of the celebrations in which Ruth had participated during the recent UUA-sponsored conference on world religions in Chicago. Special thanks go to Ruth, Ellen Plum, Faith Pratt, Geoffrey Sandler, and to Shirley Grindrod and Hermine Davidson for making this event a high point of our year.

From Newsletter Editor Pat Watkins (currently recuperating from surgery):

I want to thank all of you whose kind wishes and expressions of throughfulness have made the discomfort so much easier to bear. A special "thank you" goes to First Society, whose Janice Barker was one of my first visitors, and to Rosemary Dorney who volunteered to get your Newsletter to you when complications following surgery precluded my doing so. I hope to see you before the summer, but, if not ... have a good summer.

Ballet Madison, of which Barbara Carson is Artistic Director and Denise Rall one of the dancers, will present a Debut Performance on Sunday, May 12, 3:00 p.m., at East High School Continental Auditorium, 2222 East Washington.

The concert is open to the public without charge and will provide a fine opportunity to view dance at its diversified and skillful best.
