THE MINISTERIAL SEARCH COMMITTEE is pleased (delighted!) to announce the selection of Rebecca French as our third lay minister for the year. Rebecca's ministry will center around what she calls "the living arts," by which she means a broad range of creative endeavors which should help us sharpen our aesthetic awareness. Rebecca is highly qualified in this area, being herself a poet and a person of startling creativity and great warmth. We have high hopes of good things from her.

THE AMERICAN FRIENDS SERVICE COMMITTEE invites you to attend a dinner (6:30 PM) and program (8PM) at First Society, entitled "South Africa -- Liberation and Non-Violent Social Change." Speaker will be Jim Bristol, from national AFSC headquarters in Philadelphia, and author of the pamphlet Non-Violence: Not First for Export, who will speak and answer questions on AFSC's new South African program. Dinner is $5.00; checks should be made out to Madison AFSC and sent to: Sue Kummer, 613 Emerson Street, Madison, WI 53715.
COUNSELING COMMITTEE: Members are reminded to check page i of
the Prairie Directory for the names of members on this committ-
eee, who are there to lend an ear when you need help.

NEWS ABOUT PRAIRIE PEOPLE: Sickness still stalks: we were sorry to
hear that both AVIS PARRISH and THERON CALDWELL were hospitalized for
short terms; both are now out and well. Norma BRIGGS is wearing an arm
 cast due to a recent ice-skating accident. Congratulations to MARTHA
WILLARD, who was nominated by Robt. Kastenmeier to attend to U.S.
Merchant Marine Academy. We hear that DIANE and MARVIN MIRACLE will
be leaving us once again for a return trip to Kenya. ELEANOR and
ORRIE LOUCKS have just returned from New York, where Orrie was conducting
a symposium at the AAAS convention.
