**GENERAL ANNOUNCEMENTS**

There will be NO playreading at the Birong's this week. Further meetings will be announced in the newsletter.

Roland Parrish is in Madison General Hospital, room #450, East Wing. Visiting hours are 11am to 8pm.

The Prairie Board meets regularly on Monday evenings, at 7:30 p.m. (First Mondays of the month only.) Location of the meetings will be announced in the Prairie Fire for those interested in attending. This month's meeting is being held at Henry Pratt's house, 2725 Chamberlin Avenue, all are welcome.
The open position of editor has been filled. The new editor of the PF is Carolyn R. Briggs, that is, me. I have visions dancing around my head of doing all sorts of wonderful things to aid all of us in a slight bit of central organisation, letting the PF be used for all kinds of things and be a handy little item in these types of things.

The way to get hold of me (the new editor), is by phone, mail, or in person. My phone number is 233-4373, and I will accept calls and take messages only between six and nine in the evening, any night of the week. My address is P.O. Box 5185, Madison, 53705 and my in person is at Meetings, only written down. Any copy will be gratefully accepted and probably used.

The following is information that I hope to include every week in PF. If there are any revisions, corrections, or updates, please contact me. Additions are welcomed also.

The reason that I decided to do this was that I noticed that the directory is very outdated. I hope this blurb will help people to get their ideas across to the 'right' people sooner, before the ideas get forgotten. This list may also help refresh memories, and aid newcomers in Prairie to move around within us more easily.
