A SUMMARY OF ALTERNATIVES A REPORT SPONSERED BY THE SEARCH COMMITTEE

Purchase Possibilities - the vacant church a 1124 Colby Street. Approxamate price: \$55000- This includes an offer from Madison Montessori School - who would like to rent such a building - for up to \$600-/month as well as pay up to 5/6ths of the utilities. Our monthly payments would be somewhere about \$550-, plus all the other misc. costs as utilities, etc.
RENTAL Possibilities -1- the Pres. House at 731 State Street. Rent would be \$250-/month for ten months of the year - no fee for weekday or evening meetings. Facilities would include a pleasant adult meeting room in the Lounge (holds 80-100), kitchen, toilets, and one large room for children in basement - along with three offices to be vacated for us to use for Sunday School. Factors to weigh: an excellent campus location with stimulation for adults. Space for children marginal (adults must go through childrens space to reach toilets and kitchen). Care must be taken not to disturb the other meetingsin the building.
-2- Dudgeon School, 3200 Monroe Street. Rental price, approx. \$2500-/year for 40 Sundays. This includes the Gym, and four classrooms in the building. Year round storage space is possible. The Lake's have volunteered their living room to be used as additional classroom space. - - - - -

The Search Committe asks everyone to consider all the possibilities seriously. They also note that the Board has made a reccomendation to the parish that Dudgeon School be considered especially.

Please note that Committeechairs have been asked by our President to fill their committee vacancies in the near future.

PLEASE HELP ME FILL THIS SPACE! ANYONE...
