THE PRESIDENTS CORNER-

At the parrish meeting

on Sunday, October 15th, the fellowship passed a motion to recind the ban on advert-ising in the Press Conection and the Madison Newspapers. In a subsequent motion, the fellowship instructed the Board to advertise in the Press Connection. We were all gratified by the spirit of cooperation and concensus that finally prevailed.

Also adopted was a somewhat trimmed budget, which matched our pledges. We encourage those of you who have not done so to pledge what you can.

At the recent Board meeting, on October 18th, the Board authorized Clark Wright-Edwards to purchase chairs. We should have them soon.

The Central Midwest District (CMD) annual meeting will be in Milwaukee this year. The title is "Our Religious Hunger - Where are UU's in the Current Religious Revival." Dates are Nov. 10-11-12, the cost is nominal. Call Theron at 255-9974 for more information and have the flyer sent to you.

Lake Geneva Singles Week "A summer vac-ation and much more - a week of companionship, sharing, recreation and growth..." Midwest UU singles have for nine years held summer weeks which have been very special times in the lives of many who attended. The Lake Geneva Singles Week, June 24-30, 1979, is al-ready accepting reservations (deposits refund-able up to June 14). Pick up a flyer at the church or phone Mary Lou Diehl, 233-4357.

Is anyone interested in being Editor of the prairie fire? Call Carolyn at 233-4374, 9am-9pm or see her at the meetings. Details available from her.

Just a note from the Editor - Please look at the new style of title at the top of the other page - what do you think of it? I think it looks better than the old one... Also, I wanted to have another picture or print in this week, but I've run out of room...do you have a nice one for next week? See you all at Upham Woods, my friends! -Carolyn.
