On Sunday morning, Dec. 31, there was a sudden and unexpected cancellation of the Prairie service necessitated by Dottie Lee's illness. Pat Cautley and Shirley Lake tried to reach as many people as possible by telephone--sorry if we missed you! Jim Lake found Rosemary Dorney and Mary Lou Diehl already there when he went to post the cancellation.

MISSING and OWNERLESS--I am missing my long bevelled Flint knife from the Christmas Eve day pot-luck, and have instead someone else's long straight Flint knife. Would like to trade back. Also have someone's small wooden handled butter knife. Shirley Lake, 238-1647.
