R. E. CORNER

Holly Loring, Director

Greetings! Spring has been in the air just long enough to remind me it's not far away.

The R. E. Committee is indeed working on a detailed questionnaire which will be ready in early April. It will be printed in the Prairie Fire so you will have a chance to think about it before one of us contacts you. We are planning to talk with each of you by phone to get your responses.

For those of university-age--students and non - Channing-Murray is sponsoring a folk-dance get-together at 5 p. m., Sunday, March 11, at the First Unitarian Society meeting house, 900 University Bay Drive. Comfortable shoes and clothes for dancing suggested. Fifty-cent donation and potluck supper. If you'd like to join us or want more information, please call me, Holly, at 251-6221.

Teachers: Remember that Prairie library has resource books for your classes. We're trying to work up a list of applicable books for each curriculum. Also, contributions from your class to the newsletter would be a welcome way of sharing "what's going on down there" with all of us.

Today, Middle School's "Rennie's Rap Session" went to MacDonald's. The discussion centered on questions about people: What is human nature, what is good and bad about people, why do people kill, and capital punishment. If you're interested in getting together with the middle schoolers to discuss some of these questions, speak to Jack Jallings.
