## R.E. Corner

When the contents of the UNICEF cartons brought back by our church school members were counted, we had \$24.53 to contribute to UNICEF. Thanks to everyone who helped with this.

For those who missed the service last Sunday, the "surprise" created by the children to share with the adults was a "thousand person cake"--unbelievable as this sounds! In our Sharing Circle we had talked about the ingredients that go into a cake, and where they come from, including all the people involved in growing the wheat, for example, reaping it, storing it, moving it to warehouses and stores, putting it on shelves, and selling it to us. And as we thought of each of the other ingredients, it seemed that a thousand people might easily have been involved in getting them to our homes. Making the cake seemed simple compared to everything else, but it was fun nevertheless. Each class group went to a different home to bake a cake

(Continued on page two)

R.E.CORNER (Continued from page one)  
which was then shared with everyone after the  
service Sunday.

If you would like to know the recipe the  
recipe for the cake, here it is:

Dissolve 1 pkg. lemon Jello in 1 cup hot  
water.

Mix 1 1/4 cups sugar, 1/3 cup cooking oil.

Add 2 eggs; beat after each.

Sift: 2 1/4 cups flour

3 teaspoons baking powder

1 teaspoon salt

Add flour mixture to egg mixture, alternat-  
ing with Jello liquid (make sure it is no  
longer hot). Beat with electric mixer or with  
150 hand strokes. Bake at 350° for 30 to 40  
minutes. Do not overcook.

Mix 6 tablespoons lemon juice with 1 1/2 cups  
powdered sugar. Use toothpick to make many  
tiny holes in top of baked cake. Then pour  
lemon juice and sugar over it while it is  
still warm.

A simple ceremony is being planned as part  
of the service on Sunday, Dec. 21. We call it  
the "dedication of children"; others refer to  
it as christening or a naming ceremony. Its  
importance is not just the giving and receiv-  
ing of a name, but the recognition by the pa-  
rents of their deep responsibility and privi-  
lege in offering the best opportunities and  
guidance for their child's growth and devel-  
opment. If you are interested in participat-  
ing, please contact George Calden (233-5717).

Plans are developing for our "interim" in  
Church School, which takes place during the  
month of January. If you have any hobby or  
interest you would like to share with the  
children for one or more Sundays, please see  
or telephone me. Pat Cautley (238-5373).

Dear Prairie Friends:

As many of you know, I will be moving to  
Massachusetts on Dec. 18. I find that I have  
put down deeper roots than I had realized and  
digging them out will not be easy. I will miss  
all of you but will carry with me happy mem-  
ories of our times together. In hopes that the  
western wind may waft your news and even your  
selves in my direction, my address is:  
85 Bridge St., Manchester, Mass. 01944.

Telephone: (617)526-4626

With love, Holly Loring

-----  
Have trouble buying shoes wide enough? I have  
a brand new pair of black dress flats (1" heel)  
bought through the mail and too large. Inex-  
pensive. Call Rosemary Dorney, 238-4382 before  
Dec. 10.

## DESIGN A PRAIRIE UU SYMBOL

At one of our programs last spring, we each  
had a chance to think about what Prairie UU  
symbolized for us and to draw a sketch for  
our thoughts. At the November board meeting  
the idea of some graphic design which would  
identify our fellowship was discussed. As a  
result...

You are invited to design a symbol that  
could be used to identify Prairie UU Society.  
The symbol could be used on the newsletter,  
on stationery, and possibly used on the build-  
ing. It should reflect Unitarian-Universalist  
symbolism in some way. Your individual idea  
for a symbol could be made into a banner for  
our meeting room. From these our society  
could select a common symbol with which we  
would like to be identified.

Please give your design to Suzy Drapkin  
1422 Chandler, by February 1. One design is  
already on the bulletin board.

## AFGHAN RELIEF MEAL

Following the excellent Sunday program pre-  
sented by William Stengler, the Middle Eastern  
meal raised \$80.00 to be shared with the  
Afghanistan refugees and the UUSC. Thanks to  
Dorothy Lee and Dave Zakem for the tasty meal  
and the chance to share with others.

## BUILDING RENTAL

We are now in a position to be able to  
rent our meeting house to interested individ-  
uals or groups, with our insulation completed

We would like the meeting house to be used  
by the larger community and the neighborhood  
as well as for Prairie's own programs.

Do you belong to a group that might use it  
for meetings? What ideas do you have of other  
types of organizations that might use it?

Rental fees set by the Board are:

	Prairie members for groups they belong to	Other groups & individuals
Upstairs only	\$10.00	\$15.00
Downstairs meeting room only	\$ 5.00	\$ 7.50
Use of kitchen	\$ 5.00	\$10.00
Other	To be negotiated	

If you wish to use the building for your  
group, contact Fran Remeika, 845-7292. If you  
have ideas about groups that should be con-  
tacted, call Linda Nelson, 255-8630.

Let's use our building. Remember to call  
Fran to schedule Prairie events as well!
