## R. E. CORNER

A big project is afoot in the 3rd-4th grade group, but we will have to wait for next Sunday to see what is developing from the large paper-mache' balls that were built nearly two weeks ago.

In one sense the attendance at the Ground Zero Rally on Sunday afternoon, April 25, was the major focus of the day. It was gratifying to see so many children with their parents in the throng.

A special note about Sunday, May 23: we plan to have a group picture taken of all the children in the church school, and hope they will all be present! Mark it on your calendar, please. We think a pictorial record each year will be especially meaningful.

## WORK DAY AT PRAIRIE
