## LIVING SINGLE--PROGRAM, JULY 11

The service for July 11 will focus on living as a single person. The purpose will be to share the experiences and perspectives of Prairie people who have lived as a single or are doing so now. People are invited to share their experiences as someone who has been widowed, divorced, never married or any other reason for not having a spouse or a "mate". If you have a special circumstance which you would like to share, please contact me and you can be a part of our round table discussion. If you don't want to be in the discussion group, please join us in the general discussion which is sure to ensue.
