R.E. CORNER

Erin Bosch is working with our second-  
 third-and fourth-graders on a unit called  
 "Making Decisions." The material is taken  
 from a new curriculum called Stepping Stones  
 which was developed in Ottawa for use with  
 8 to 11 year olds by the Rev. Margaret Good-  
 ing. They have considered the choices which  
 they are allowed to make and those choices  
 which are made for them. Along with a con-  
 sideration of the Golden Rule they have been  
 sharing experiences with "hurt feelings."  
 In the future they'll be doing some role-  
 playing to prepare for situations where  
 others may ask about their religion.

Next Sunday before our potluck, take a  
 tour of the Sunday School area. Have one of  
 your five, six, or seven year old friends  
 tell you about their special hideout. A  
 second, third or fourth grader can show you  
 the mural they've made about the family of  
 humankind. Our middle schoolers in the U.U.  
 & You group have made five wishes for Prairie  
 which are very interesting.

The U.U. & You class is planning activi-  
 ties for all the children on Easter Sunday,  
 April 3. Each child will need a basket or a  
 bag.

 SUGGESTED MOTTO FOR PRAIRIE R.E. PROGRAM:

"If you're going to turn out to be a  
 really good person, you have to get an early  
 start on it." From Vivian Wood's March 13  
 talk at Prairie. Suggested by D. Wetherby.
