NEXT PRAIRIE FIRE DEADLINE: September 22
R.E. CORNER

Nursery - Since we do not yet have a preschool coordinator, each week's activities will vary with the leader. Last week the children played get-acquainted games and tape-recorded their own stories. It's important that weekly volunteers arrive with some structured activity in mind: a favorite book to read and discuss, a game to play, something to share. Beth Price-Marcus continues as regular nursery aide.

Grades K, 1, 2 - In the first class youngsters played get-acquainted games and discussed how and where people live. On Sept. 15 they will take a nature walk in the Arboretum -- DRESS APPROPRIATELY. On Sept. 22 they will do classroom activities based on their nature walk findings. Teachers are Bill Fetzer, Lindy McGraw & Barb Palecek.

Grades 3, 4, 5 - This group began the year by discussing what is evil and why evil happens. They began with the original sin stories of Adam and Eve, Prometheus and Pandora. On Sept. 15 they will consider evil as part of the cycle of reincarnation, and on Sept. 22 they will look at myths about evil as a result of wrong thinking. Teachers are Erin Bosch, Shirley Czoschke & Jim Lorman.

Grades 6, 7, 8 - In a unit called "The Church across the Street," middle schoolers will study many religions and have plans to visit churches of a variety of faiths. They will begin Sunday, Sept. 15, by seeing a film and holding a discussion on Amish society. Teachers are Jim Lake & Peg Stevenson.

Youth Group - The first activity for all middle and high school youth will be a pizza party at Rocky Rocco's, 694 S. Whitney Way. Meet at Rocky's at 5:00 p.m. Sunday, Sept. 15. Pizza and beverage will cost about $2.50. Parents may pick up party-goers at Lynda Lewis', 5209 Tolman Terr., between 7 and 8 p.m.

ABOUT YOUR SEXUALITY

Parent Orientation - Sept. 15, 5:00-7 p.m. at Prairie. Parents whose children will participate in AYS must attend orientation and give permission for their middle schoolers' involvement in the program.

Middle School Class - A youth orientation for the AYS program will take place Sunday, Sept. 22, from 1:00-7:30 at Prairie. Youth must attend the orientation in order to take the class. They may decide after orientation whether to continue.

Preschool Coordinator Position

Prairie still needs an adult who likes little kids to coordinate the preschool program. Hours are 9:30-11:30 a.m. on Sundays; pay is $12.00 per Sunday. Please refer any likely candidates to Robbyne Martin, 251-4630.

Rug for R.E.

We would like to find another large rug for the main R.E. room. 9 x 15 or larger, or a 6 x 18 runner.

This is your very last chance to claim items left at Prairie over the past year or so. Call Fran Remeike (845-7292) or Rachel Siegfried (271-2173) to claim items, or pick them up at Prairie Sept. 15. After that date, everything goes to Goodwill (or whatever).

THE SPRINGS TAKE TO THE HILLS!

Judy and Kristi Spring have moved to Baraboo, but Judy still works at Omega in Madison. New home phone is 1-356-7325, and mail may be sent c/o Omega School, 254 W. Gilman, Madison 53703. Update your Directories!

FLASH! FLASH! FLASH!

Our annual Prairie all-church retreat (where we renew our spirituality, commune with nature and with one another, sing, laugh, canoe, folk dance, get to know our own and others' kids better, and lots more) will be held at Upham Woods Friday, October 18 - Sunday, October 20. We try to make it financially possible for everyone to attend. PLEASE SAVE THOSE DATES!! Your next Prairie Fire will have registration forms, as well as details on housing and costs.

ADULT SEXUAL CLASS

An adult class of About Your Sexuality will meet the first 4 Thursdays in October. The class will discuss facts, values and feelings related to sexuality. An optional section will consider how to discuss sexuality with your children, especially middle schoolers taking AYS. This adult class is for singles, couples, parents, --any age, any lifestyle, not just those who will have youngsters in the middle school AYS group this fall. It will be coordinated by Dan Laux and Mary Beth O'Halloran.

Preregistration is required (see form below). This course will not work with fewer than 8 or more than 20 participants, so register now.

FROM SOCIAL ACTION CHAIR LEE BULLEN

Some of you may recently have received an urgent message from the UUA about the need for medical supplies in Nicaragua. The U.S. trade embargo and continuing war make medical equipment, replacement of X-ray machine parts and especially adequate dosages of medicine for suffering civilians impossible to obtain. UUSC workers have returned from distribution of church-based relief with horror stories of growing numbers of elderly, children, the sick at risk. A second medlift is planned, of medical supplies already donated. Funds are needed for shipping costs. Our help is requested. Checks may be sent to the UUSC, c/o Richard S. Scobie, Exec.Dir.

* SEND ANNE OFF TO CHICAGOLAND *

Prairie friends of Anne Reardon are invited to party with her Saturday, Sept. 21, 7:30 p.m., at Rachel Siegfried's, 5209 Tolman Terr (call 271-2173 for directions). A snack or beverage would be appreciated. Y'all come!

PARTING MESSAGES FROM ANNE REARDON

Because of the Chicago move, I'll have to resign as Membership co-chair. Judy Spring will continue as chair but will need help, especially as she now lives in Baraboo and may not make it to Prairie every week. She'd like helpers to meet-and-greet at Sunday services, count heads, update membership files, and to work on the Prairie Directory. This is a great opportunity to get better acquainted with Prairie's friends and members. If you are interested in any of the above, please call Judy at 255-6879 (work) or 1-356-7325 (home), or Anne (until Sept. 28) at 271-2173. Work on the Directory will begin in November.

I also will need help loading my stuff into the U-Haul on either 9/28 or 9/29. If you can lend a hand, please call me.

Anne

THINKING ABOUT A PLACE IN THE COUNTRY?

Peg and Rod Stevenson are looking for people to share ownership in an 88 acre farm on the north side of the scenic Baraboo hills. The property has a farmhouse, pond, woods, and fields; this could be shared by 2, 3 or 4 families. For more information, please call us in Madison at 233-6449.

BETTY JALLINGS calls our attention to social action concerns outside Prairie:

The Madison Apartheid Coalition meets Sept. 18, 7 p.m., at 731 State St. It will be working on divestment, nuclear weapons, etc.

The Peace Research Center at UW-Madison needs contributions to its newsletter. Prof. Peter Dorner, 14th floor, Van Hise Hall, is their contact person.

A caravan of 25 Salvadoran refugees from L.A. will parade around the Square Sept. 25. Rally is at 1 p.m., with a dinner later. For night of 9/25 housing is needed. They leave 1 p.m. 9/26, and cars are needed to drive them to Chicago. Co-ordinator: Kate Thompson, 251-5627 or 251-1309.

Salvadoran children's drawings will be on exhibit at the Lutheran Campus Center Sept. 22-28. They were brought out of Honduras by Ken Lawrence who will speak on his experiences.

Edith Ballentine of WILPF will be here (in Madison) Sept. 30-Oct. 1. A meeting with her is planned.

Contributions are still needed for Friends of AMES Day Care Center in Managua, Nicaragua. For further information, call Donna Vukelich (251-5859), Maureen Dolan (233-1034) or Chris Galloway (233-6225) in Madison. Among items still needed are crib linens, eating utensils, cloth diapers, building blocks, writing materials (paper, crayons, paints, paste), simple games that are NOT English-language based, small rubber balls.

If you haven't signed up yet, please check the clipboard soon and schedule a Sunday to volunteer. ALL Prairie adults may share this opportunity, not just those with kids currently in the R.E. program.

MEA CULPA . .

At this last, harried moment of laying out the Prairie Fire, I confess I didn't get all the clipboard lists of volunteers for Prairie upkeep (sorry, Lee, you DID remind me): washing coffee cups after our Sunday service, lawn mowing, trimming, etc. As of Sun., Sept. 8, more able bodies were needed. PLEASE check the clipboards this coming Sunday to see where you can lend a hand -- now that we have a cleaning person, demands are fewer, but some tasks (just like home) still have to be done!
