## DENOMINATIONAL AFFAIRS

### Working for a Just Economic Community

As a follow up to this 1996 U.U.A. Resolution, Prairie Society is forming a six session study and action group. Sessions 1,2 and 3 will consist of discussions of hypothetical situations and dilemmas requiring moral and ethical decisions on economic justice issues. Participants will also be engaged in part of a small community action project and either share their information, or work on it during sessions 4 and 5. Session 6 will be an evaluation of the study group idea and process. There will be opportunity to do additional study and action on the topic for anyone interested. If you would like to participate in such a study group, call Pat before 10am or after 10pm, before October 6<sup>th</sup>, at 233-5795.

### Chalice Lighters

How gratifying it was to receive a warm "thank-you" from the Central Midwest District office for our participation in the program. The May contribution went to the 1<sup>st</sup> Unitarian Church of Hobart, Indiana for a comprehensive publicity program in preparation for membership growth grounded in it's funding of lay leadership training, strategic planning, and it's commitment to professional religious education and staff development. If you are not yet a Chalice

Lighter, please consider being one. Chalice Lighters are UU's and Friends who support extension programs and extension ministry in the Central Midwest District. Three calls a year go out for a \$10 donation, and all money raised stays in our district. There will be one more call in 1997. Sincere thanks to Nancy Graham, through whose efforts, approximately 25% of Prairie members (one of the District's highest percentages) joined Chalice Lighters this year. Your new contact person for '97/98 is Rachel Siegfried. Please see her and consider joining this program.

### Congratulations to First Society Member

Michael May who was elected director at large for Personnel and Administration on the Central Midwest District Board. Did you know that our own Barb Park also serves on the CMWD Board - busy lady!

### Overheard at General Assembly

What is the difference between a Universalist and a Unitarian? Answer: The Universalists believe that God is too good to punish them; Unitarians believe that they are too good to be punished.

## Our Society

### Marty Drapkin's Photo Exhibit

Prairie member Marty Drapkin's exhibit of black and white photographs, *Mothers and Daughters*, will be on display at Sunroom Café and Gallery, 638 State Street in Madison, from August 25<sup>th</sup> through October 5<sup>th</sup>. Some faces familiar to Prairie members will be in the exhibit.

There will be an opening reception for the exhibit on Tuesday, August 26<sup>th</sup>, from 7-9 pm at Sunroom. All are welcome to attend.

### Gifts from the Heart

In late July Aileen Nettleton and Ken Reinebach each gave a pint of blood, and each had given many times previously. Bravo! Summer sports and accidents make it an especially needy time, while possible donors tend to "put it off". Your recruiter had a recent guest who arrived wearing on his t-shirt:

See Pete.

See Pete drive.

See Pete crash.

Pete needs blood.

For Pete's sake, GIVE BLOOD!

### Brag a Little

When you enter the Prairie Society's meeting house, if you look left at the little kitchen-ward window you will see a blue notebook with a few vignettes of our members. YOUR contribution is needed: Please write a paragraph or two or three about yourself, telling where you grew up, what you do as "work" and hobbies, how you happened to come to Prairie Society and what you have done as part of our society's activities. Funny items welcome! Snapshots solicited! Don't be modest! Spouses, perhaps you'd be a better author of your partner's portrait; if so, feel free to compose his/her page.

### New Prairie Directory in the Works

Kate is working on a new, updated directory for the Society. If you have information, such as a new address or phone number that needs to be changed, please contact Kate at Prairie (271-8218) so the correct info gets into the directory.

### Announcing "UU & Me!"

"UU & Me!" is a new magazine for UU kids ages 7-12, packed with ideas to help kids and their parents talk about what really matters, and create a link between home, church and their UU faith.

Quarterly issues bring original stories about kids in everyday situations and famous UUs in history, ways to celebrate the seasons and holidays at home, activities and games that make learning about different religious beliefs and developing right relationships fun.

See "UU & Me!" for yourself and share it with all the young UUs in your life. To subscribe, send \$15 (\$17 Canada, \$19 Foreign) along with the name and address of both the subscriber and the child receiving the magazine to: CLF Fulfillment Center, 8080 Pierpont Rd., Bloomfield, NY 14469-9714.

### ONGOING

#### **SOCIAL ACTION COMMITTEE BOOK**

### Quote

"I don't believe there is intelligent life on other planets...I think they are just like us." Michael Feldman, "Whaddaya Know?" 3/22/97

### Note from the Administrator

As many of you may have noticed, I was on vacation last week. I'm sorry if your phone calls were not returned promptly and am trying to do so this week. I had a wonderful time camping in the north woods and not worrying about everyday life.

I'm slowly improving with the newsletter format and deadlines. I encourage people to submit poems, quotes and any other interesting tidbits for Prairie Fire.

Thanks!!!!!!!!!!!!!! Kate

First Lesson

Lie back, daughter, let your head  
Be tipped back in the cup of my hand,  
Gently, and I will hold you. Spread  
your arms wide, lie out on the stream  
and look high at the gulls. A dead-  
man's float is face down. You will dive  
and swim soon enough where this tidewater  
ebbs to the sea. Daughter, believe  
me, when you tire on the long thrash  
to your island, lie up, and survive.  
As you float now, where I held you and  
let go, remember when fear  
cramps your heart what I told you:  
lie gently and wide to the light-year  
stars, lie back, and the sea will hold you.

--Phillip Booth

## **SOME TABLE GRACES VIA RACHEL LONG**

- ❖ This food comes from the earth and the sky  
It is the gift of the entire universe  
And the fruit of much hard work;  
I vow to live a life worthy to receive it.
  
- ❖ We eat the good bread  
We eat months of sunlight,  
Weeks of rain,  
The richness of the earth.  
Let us shine our light,  
Dance like the rain,  
Feel the peace of the good earth.  
As we eat, these good things are within us.
