UPCOMING PROGRAMS

Sunday, December 27

"I Remember the Year...", led by Arleigh Birchler. The Sunday service between Christmas and New Year is traditionally a very quiet morning when a few folk gather for quiet fellowship. We will have coffee and share memories of years that have meant much to us. *Remember, no Religious Education, but there will be childcare provided.*

Sunday, January 3

"Hunting for Hope": New Year's Intergenerational Program"

Anyone who looks honestly at the human prospect realizes that we face enormous challenges: population growth, environmental degradation, species extinctions, epidemics, and doomsday weapons, to name only a few. Because young people can sometimes despair in face of this human condition, Marilyn and Rick Ruecking will lead a discussion and activities related to discovering hope and the steps we may take to nourish our families and our community. Please consider the ways you put hope in your lives; i.e. family, nature, beauty, activism, simplicity.

Sunday, January 17

On **Martin Luther King Day**, the Sunday Program will be a panel discussion with residents and service providers from the Allied Drive-Dunn's Marsh neighborhood. The purposes of this service are to acquaint members of our Society with people who live and work in the neighborhood, to inform us of opportunities to volunteer and become more involved in the Allied Drive-Dunn's Marsh neighborhood, of which we are a part.

OUR SOCIETY

Questionnaires and Surveys

Please return your "UNITARIAN UNIVERSALISM --Needs and Aspirations Survey" to Ken Skog by **Sunday December 27th**. This survey will be discussed at the January 10th service and is the beginning of Prairie UU Society's "Fulfilling the Promise" redefining our covenant processes. Please return your "**Caring Committee Questionnaire**" to

Marilyn Ruecking or Nancy Schraufnagel by **December 31st**.

Our Sympathies:

We at Prairie extend our sincere sympathies to Kate Heiber-Cobb, our Office Administrator on the loss of her mother, Ken Skog on the loss of his father and Erin Bosch on the loss of her sister.

Hospice Training

The four area Unitarian Universalist congregations of South Central Wisconsin have arranged for training by Hospice on death, grief and family dynamics. This is intended for lay ministers, caring committee members and other members with the approval of their minister, President, Caring Committee Chair or other designated Board Member. Any Prairie members who are interested may contact Nancy Schraufnagel 273-3195 or Marilyn Ruecking 838-8540: **Registration is due January 19th** and a fee of \$10 or less will include lunch.

Prairie Board Approves GA Topic Proposal

Al and Aileen Nettleton recently received a proposal for a General Assembly (GA) discussion topic from Ori and Elinor Loucks entitled "Moral Imperatives for Responsible Consumption". They referred the letter and proposal to Prairie's Board of Directors who discussed the matter at the Dec. 7th Board meeting. Essentially the issue entails the high level of consumption of the world's resources by the United States and proposed that the UUA investigate the role that our pulpits and RE programs could play in challenging this seemingly ever-increasing rate of consumption. The Board approved of the spirit of the resolution and voted to become a co-sponsor when the resolution is submitted to the Commission on Social Witness for next year's GA. A copy of the full resolution is posted on the Prairie bulletin board for your review.

Religious Education Highlights

Spirit Circle: The theme for this month's Spirit Circle was Special Gift Giving. We spoke about three kinds of gifts: (1) a blind person helping a sighted taxi driver appreciate clouds more deeply, (2) purchasing gifts from companies that donate a portion of their profits to non-profit causes and (3) singing "'Tis a Gift to be Simple" as a community.

Pre-school: Book reading and Nifty-Gifty participation were the chief activities during the last couple of sessions. Those snow globes were something else!

K-1-2: The theme of the December 6th class was religious freedom. Chanukah was used as an example. They talked about the use of a Menorah and played with dreidels they had made themselves. The K-1-2ers were very involved making such Nifty Gifties as fabric cards, rockin'writers and garlands.

3-4-5: We rocketed back in time in our time machine to the Indian subcontinent again to conclude our study of Buddhism. We tried to find similarities among Buddhism, Taoism and Confucianism and found the theme of Balance. This discovery prompted us to create Yin/Yang pictures and try to balance ourselves on a log. Nifty Gifty found us doing sponge prints, fabric cards and stamped notepads.

6-7-8: On December 6th the class ventured to First Unitarian Society to participate in their service. They learned much about the similarities and differences between First Society and Prairie... During Nifty Gifty, the candle holder project proved to be the most challenging! **High School:** The high school "crew" was most helpful during Nifty Gifty. They served as good supervisors and role models by creating their own gifts for others to see! They produced many creative gifts, most notably ornament holders, rockin'writers, garland, stamped notepads and sponge print cards. Jainism was the religion under scrutiny this half of the month. The tenets of Jainism were compared to those of UUism.

UPCOMING EVENT NOT TO BE MISSED!
Wild wintering... January 30. Consider joining the fun during the evening and/or topping it all off with sleeping over, a rather benign experience!
